HP Pavilion All-in-One 200-5020 PC

Put your PC on dislpay

From the easy set-up and elegant design, this all-in-one desktop fits anywhere and does everything you'd expect of a full-featured PC, while keeping your world uncluttered, uncomplicated, and looking good.

Windows®. Life without Walls™.
HP recommends Windows 7.

A desktop PC never looked so good

A slim and elegant design redefines the desktop experience.

- Space-saving design puts your entire PC on top of your desk while concealing antennas, cables, and peripherals
- Enjoy the best seat in the house with a big, bold 21.5" Full HD1080p widescreen[33] display with LED backlighting
- Enjoy comfortable computing with a PC that can tilt up to 30 degrees and swivel from side-to-side
- A piano-black-and-chrome exterior turns your PC into a sophisticated design statement

Ready to play when you are

Immerse yourself in a world of media and entertainment.

- Out of the box, exclusive HP MediaSmart software gives you easy access to the music, movies, and TV shows you love
- Built-in premium stereo speakers deliver crisp, clear, high-quality sound that is typically reserved for external speakers
- Experience video in jaw-dropping high definition[33]
- Express yourself in new ways with the built-in webcam and microphone that let you video chat[10][16] with friends and family

The art of streamlining

A single, powerful package that's free of wires, cables, and clutter.

- Easy set-up—just plug it in, and you're ready to go; with a wireless keyboard and mouse there are no other wires or cables to connect
- Go online effortlessly with built-in wireless[19] networking capabilities
- Explore a world of applications, games, and services with Windows 7
- Take on the the most demanding HD[33] content, games, or applications thanks to a powerful a dual-core processor.

HP Total care.

Protect your investment with HP Total Care, the award-winning service and support available around the clock by phone, e-mail, and online.

ecoHIGHLIGHTS

HP Pavilion All-in-One 200-5020 PC

HP is committed to delivering energy efficient products and services. HP reduces resource use and waste in the design, manufacture, packaging and transportation of our products.

- All HP All-in-One200 PCs are ENERGY STAR® qualified (including the latest 5.0 specifications)
- ENERGY STAR® qualified products use about half as much electricity – saving half in utility costs
- Low power WLED (white light emitting diode) backlit panel which provides up to a 50% reduction in power consumption over previous generation displays*
- WLEDs eliminate the use of mercury, which addresses the growing concern of these substances and furthers ecological conservation efforts.

*All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower by model.

[1] Microsoft® and Windows® are registered trademarks of Microsoft Corporation. This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See http://www.microsoft.com/windows/windows-7/ for details.
[2] Processor speed 2.70GHz, 2MB L2 cache, 800MHz Front Side Bus. Intel's numbering is not a measurement of higher performance. Dual Core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. [3] Up to 256MB of main system memory may be allocated to support video graphics. [4] For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 14GB of storage space is reserved for the system recovery software. [6] Actual speeds may vary. Does not permit copying of commercially available DVD movies or other copyright-protected materials. Intended only for creation and storage of original material and other lawful uses. Double Layer is a new technology. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. Data transfer rates up to 3,600 KB/s (CD read/write) and 10,816 KB/s (DVD read/write). [10] Internet access required and sold separately. [11] Internet access required. First 60 days included; subscription required for live updates afterwards. [13] Intended for your original content and other lawful uses. Do not copy copyright-protected materials. [14] The Microsoft® Office Home and Student Edition 2007 is a trial version; functionality is reduced after 60 days. The full version is sold separately. [16] Part of the total system memory (RAM) is used for graphics/video performance. System memory dedicated to graphics/video performance is not available for other use by other programs. [19] Wireless access point and Internet service sold separately. The specifications for the 802.11n WLAN are draft specifications and are not final. This may affect the ability of the PC to communicate with other 802.11n WLAN devices. [24] Power supply upgrade may be required for graphics card upgrade, check with graphics card supplier. [25] Availability of applications on Touchsmart PC will vary by country. [33] High-definition content required to view HD images.
